Maths in Motion Champions!

Maths in Motion Update

We have come to the end of our racing season and there are 18 children who have competed over four terms to try to become the winning driver and team. They have regularly attended the club and worked hard both individually, and as a team. Well done all of you.

Winning drivers:

Joint 1st – Rupert S and Frankie S

2nd – Jude A

Winning team:

Maths Masters – Jude, Frankie, Bobby and Luca

A special mention to Maths Masters (a team from Year 5) as they also represented our school, online, in the races towards the World Finals. They worked hard together and made it through the first round to the semi-final, but unfortunately were not successful in making it through to the World Finals – there is always another chance for them next year!

Congratulations to Dr. Steven Hannon, who has been elected as our new Parent Governor.

Thank you to all our candidates for their interest in participating on the governing body of the school.
