Dear Parent/Carers,

Re: Coronavirus Update

First of all, we wish to thank you for the support so many of you have shown us through what has been a very difficult time.

As Headteachers we feel it is particularly important for our families that we work together as two schools serving one community.

Due to the lack of leadership from the Government, our two Governing Bodies have supported our decision as Headteachers to close Callis Grange and St Peter's at the end of the school day this Friday 20th March. This will now be the last day before the Easter holiday.

We have a clear duty of care to our staff, children and families to do all we can in this unprecedented situation to prevent the spread of the Coronavirus.

We are informing you now so that you can make any arrangements required for when your children are at home as from Monday 23rd March.

Whilst we are closed we will keep you informed of what the future holds.

You will also receive a separate letter from each school regarding activities to do with your child at home.

Wishing you and your family well during this difficult time.

Yours sincerely

Mr T Hunter-Whitehouse
Headteacher

Yours sincerely
