Update from Mr. Hunter-Whitehouse

We are coming to the end of another week, with some of our Year 6 and keyworker children in school and the majority of our children learning from home.

The children in school have coped very well with what is a slightly strange environment and I feel that they are all enjoying the lessons they are having.

I am also so impressed with how well our children are engaging with our home learning activities. I know how hard it is to stay focused for so long when you are at home for so many weeks – and the teachers all tell me that you are doing amazingly!

We are now just about at capacity with the bubbles we will have in place from next week and I hope that we will continue to meet the needs of our Year 6 and keyworker children in school as we come towards the end of the school year.

I am still very hopeful that come September we will be welcoming back all the children in a much more familiar way.

Stay safe everyone!

Mr. Hunter- Whitehouse

Farewell Mrs Moore

Mrs Moore has left us (as planned) during lockdown for a very happy early retirement!

We will miss her so much and all the valuable work she does with our children.

We send her lots of best wishes and hope she enjoys the well-earned rest.

Year 6 Reading books

Please could all of our Year 6 pupils begin returning their reading books to school, before 15th July (last day of term).

There will be a box outside the school reception area every day between 8.45am- 3pm, for you to pop your books in.

Thank you

St. Peters

Do you need help during lockdown?

Support is available from domestic abuse services in Kent during this time for victims and those worried about loved ones.

Visit www.domesticabuseservices.org.uk for local support services and advice, or contact the National Domestic Abuse Helpline on **0808 2000 247** for confidential support 24 hours a day.
