## End of Year Reports

Throughout next week, the pupil's end of year reports will be coming home.

As we are not able to print and hand deliver via the children's school bags, these will be coming home to you in a PDF format, **via email** of the first contact on our pupil system.

**If you do not receive our emails but think you should, please contact us as a matter of urgency.**

Please note that due to electronic copies being sent, the PDF document will be unsigned by the class teacher and the Head / Deputy Head. Rest assured these staff have reviewed all school reports.

If you would like a signed paper copy of your child's school report, please ask the office once we are in more normal circumstances **in September, not before.**

Please see below for the timeframe of the reports being sent. In the email, you will also receive a link to a Survey monkey form.

Please use this if you would like to pass on any messages about your child to your current or new class teacher.

## Classes for Next Year

Please note that your emailed report will also contain your child's class name and teacher for next academic year.

## Timings

Reports will be sent at 4pm on:

- **Years 3 and 4 – Wednesday 8<sup>th</sup> July**
- **Years 5 and 6 – Thursday 9<sup>th</sup> July**

## Year 6 End of Year

To all our parents and carers of Year 6 children,

As you know, there is very little we can do in the way of our usual Year 6 leaving events.

**However, we would obviously like to say farewell.**

So, whether your child is in school, or has continued with their home learning, we would like to invite Year 6 children, accompanied by a parent/carer/responsible adult, to walk into school on the last day of the year.

Using the one way system, come to outside reception and collect a small gift from the school, and wave good bye and say a few words to some key teachers and staff who will be greeting you.

This will also be an opportunity to return any books and school items that the children have to bring back to us and we will provide boxes for this.

It is not the way we want to say goodbye, but we feel it is important to at least share a few words with the children. We will always welcome a visit back from them when it is safe to do so.

This will take place throughout the afternoon of Wednesday 15<sup>th</sup> July, from 1.30pm onwards until 2.45pm.

We hope that all of you will be able to make it. Please be prepared for our socially distanced queuing system and that you may be waiting in line for a little while.

There will be no need to rush up at 1.30pm; we will be there until 2.45pm!

**Mr. Hunter-Whitehouse, Mrs Poulos and the Year 6 team.**

## **FINAL REMINDER:**

### **Year 6's Removal of iPad from our Management System**

Year 6 pupils who have been part of an iPad scheme during their time at St. Peter's. As they are now soon to leave and start at their new school, we need to remove the device from our management system. **This is very important as if the school technician does not follow this procedure and you try to reset the device yourself, you will permanently disable the device due to the current restrictions placed on it.** Once this has been actioned, you are able to manage the iPad yourself without the limitations that are currently in place.

With this in mind, we will need the device to be bought in on **Monday 6<sup>th</sup> July**. The device must be clearly named, fully charged, **backed up and all passcodes removed** (if this is not the case we will not be able to remove the restrictions) this is because during this process the device will need to be set back to factory settings.

We are only able to action the removal from our management on **Tuesday 7<sup>th</sup> or Wednesday 8<sup>th</sup> July** if you do not bring the device in by **Monday 6<sup>th</sup> July at the latest**, we will be unable action until the following school year.

## **Kent Child Health**

If your child is aged 4-19 and struggling with their emotional health, you can access support from the Children and Young People's Counselling Service.

Go to [www.kentcht.nhs.uk/school-health](http://www.kentcht.nhs.uk/school-health) or ring 0300 123 4496 for more information.

## **Sports Day!**

During next week, beginning Mon 6<sup>th</sup> July, all bubbles will be competing against each other as part of a very different looking sports day.

Pupils will participate in five different activities within their scheduled PE lessons. All scores will be recorded throughout the week and a winner will be announced on Monday 13<sup>th</sup> July.

Good luck everyone!

## **Year 6 having fun in Forest School**
