

Pupil Prospectus!

For Year 2 Pupils (and their grown ups!)

Parents and Carers: Our School Prospectus is really for you to read, so we thought the children might like their own, filled with information that is important to them!

Welcome to St. Peter's!

This is our school....

Parent Info: Our school is safe and secure across the school day, children are safely enclosed, with the only entrance in via a locked reception area.

We have three classes in each year.
In Year 3, our teachers are:

Mr Williams, Mrs Ward, Miss Bruna and Miss Thomas

Parent Info: 96 pupils are admitted to each year in classes of 32. Mr Williams is our Head of Year 3.

We love break times!

We have break at 10.30am, and
lunchtime at 12-1pm.

We have lots of outside space to enjoy together in our breaks. We have two sets of play equipment—the Lucy equipment and the Trim Trail.

We also have a large field where our Sports Coaches play games with us at break times.

Parent Info: The day usually starts with a short assembly followed by Maths and English, with a 15 minute break time in the middle.

Or maybe you are not so sure about going out to break?

We have a friendship club, where Mrs Wilson will have a chat with you if you are feeling a little worried or sad about something.

She has lots of games, Lego and fun things to do if you feel like the playground is not the place you want to be.

We also sell fruit from friendship club, for children who would like a mid-morning snack!

Parent Info: Friendship club is open every morning break and lunchtime and run by Mrs. Wilson and Miss Turner.

What do we like to do?

Lots of reading!

We have lunchtime reading clubs and after school book clubs with Mr Irwin and Ms Websper.

Each class has a reading corner, stocked with lots of your favourites!

Parent Info: St. Peter's is part of the 'Reading for Pleasure' scheme, whereby we encourage all children to read, whatever it may be and whatever they find most interesting!

We also love sport!

Every class has sport lessons twice a week and you can do extra in our sports clubs. We have sports days in the summer where you compete against the other classes in your year!

Do you enjoy sport? You could join one of our sports clubs and maybe even compete against other schools in the local area!

Parent Info: St. Peter's have many sports teams in the lower and upper schools, led by our Sports Coaches, Mr Allen and Miss Bostock We compete at many of the local tournaments and do very well!

....as well as drama!

I love school because the teachers make it so much fun. The after school clubs are fabulous, I enjoy them very much! I came from Ellington school and I didn't know anyone but now I have made lots of wonderful friends.

I like St Peter's because of the learning and the clubs. They are fun and joyful and we play all together.

I love to play with the equipment outside. My favourite is the monkey bars. I come from Old's Grange with lots of friends but have also made many new ones too.

St. Peter's is fun because you get a buddy. You make friends easily and you get interesting science work. You get fun homework because you get fun topics. In year 3 you even get to learn about the Stone Age. You have a Wow Day to get used to your topic.
