

Online Safety

Please read the leaflet below for some tips on how to keep your child safe online.

All National Online Safety webpages are written by experienced parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, about what they need to be taught. This guide focuses on one issue in many which we believe treated adults should be aware of. Please visit www.nationalonlinesafety.gov for further guides, hints and tips for schools.

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

- 1 MONITOR VIEWING HABITS**
Whilst most apps have moderation tools, inappropriate content can still slip through the net.
- 2 CHECK ONLINE CONTENT**
Understand what's being shared or what seems to be 'trending' at the moment.
- 3 CHECK AGE-RATINGS**
Make sure they are old enough to use the app and meet the recommended age-limit.
- 4 CHANGE PRIVACY SETTINGS**
Make accounts private and set content filters and parental controls where possible.
- 5 SPEND TIME ON THE APP**
Get used to how apps work, what content is available and what your child likes to watch.
- 6 LET CHILDREN KNOW YOU'RE THERE**
Ensure they know that there is support and advice available to them if they need it.
- 7 ENCOURAGE CRITICAL THINKING**
Talk about what people might post online and why some posts could cause distress.
- 8 LEARN HOW TO REPORT & BLOCK**
Always make sure that children know how to use the reporting tools on social media apps.
- 9 KEEP AN OPEN DIALOGUE**
If a child sees distressing material online, listen to their concerns, empathise and offer reassurance.
- 10 SEEK FURTHER SUPPORT**
If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.

Christmas at St. Peters!

Last week Mr. Hunter-Whitehouse received a lovely letter from Poppy-Rose in 6I regarding the school Christmas tree.

Mr. Hunter-Whitehouse was very impressed with her letter and as a direct result, has decided to order the Christmas tree a week early, on Fri 27th November.

Well done Poppy-Rose!
