

New playground Equipment

You have probably seen our fantastic new playground equipment, outside the Year 3 classrooms. We are very excited for the children to start using it from next week, however, please **DO NOT allow your children to play on it after school** – it is designed for junior aged use and will only be used when trained members of school staff supervise the children.

Thank you for your co-operation on this matter.

Eco Craft Club

Over the next few weeks, the children in Eco craft club will be making sculptures. Please could you send in any washed and wiped clean, recycling (egg boxes, milk bottles, yoghurt pots etc.) that the children can use.

These can be taken straight to Mr. Bewick in extended day.

With thanks,

Mrs. Wells

One-way system

Reminder: There is a one-way system in place around the school grounds in the afternoons during pick-up times.

Extra signage has been displayed to reflect this so please make sure you follow the arrows and keep to the one-way.

Drop off zone

Please also be reminded that the drop off zone must only be used to drop your child off in the morning, and that you must exit immediately. It is not to be used for parking.

With thanks,

St. Peters.

School uniform

Please be reminded that children should now be in full school uniform. The weather is getting warmer so children should not need to wear extra hoodies in class for Terms 5 & 6.

Facemasks

Even though restrictions are slowly being lifted and the weather is getting warmer, please continue to wear facemasks whilst on the school premises.

Online safety 10 tips to keep your children safe

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content, which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That is why the guide has been created to provide parents and carers with some useful tips on keeping children safe online.

In the guide, you'll find tips on a number of potential risks such as age inappropriate content, privacy issues and mental health.

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
