Facemasks on School Grounds

I know that with the temperatures rising and the case numbers falling, it feels like the world is beginning to return to normal.

However, can I ask that we all do our bit to help ensure that this much hoped for normality does indeed come about, by continuing to wear face masks and maintaining social distance at the start and the end of the school day.

Your help in keeping our St Peter's community safe really is appreciated.

Sports Day 2021

This year we are pleased to let you know that we will be holding Sports Day again!

This will take place on **Friday 25th June** (more information to follow).

Unfortunately, due to the current restrictions and the uncertainty of the guidelines for larger school events at the present time, parents **will not** be permitted to attend this year.

We are sure the children will enjoy a bit of friendly competition against the other classes in their year group bubbles and for things to feel slightly normal again!

We thank you for your understanding.

With thanks,

Mr. Whitehouse

St Peter's Spelling Bee

Over the next few weeks, we will be running a spelling bee to shine a spotlight on the importance of spelling and to celebrate the achievements, progress and efforts made by all our children.

All children will participate in class competitions to find 3 class champions, who will then meet and compete to find year group champions.

In the grand finale, the year group champions will compete to find the ultimate St Peter's spelling champion!

Prizes will be awarded to winners at every stage of the competition, and keep your eye of the newsletter for the names of our spelling champions.

Miss Carpenter has Completed her May Squats Challenge!

Many of the pupils know Miss Carpenter from breakfast club and drama clubs. She has set herself the challenge of doing 2000 squats within 14 days, raising some much-needed funds for SANDS, the Stillbirth and Neonatal Death Charity.

This is a cause close to Miss Carpenter's heart, and she has been undertaking the challenge in memory of her daughter.

Today, she finishes her challenge and has completed all 2000! So far she has raised £150.

If anyone else wants to sponsor Miss Carpenter, they can do so via this link
