iPad Scheme for New Year 3 pupils

Year 3 parents and carers you will soon receive an email with details of this year's proposed iPad scheme. Please read the information carefully and take time to consider your financial circumstances before committing to the scheme, which if you choose the monthly option is a commitment for two years (24 months).

When you receive our email you will find a link to follow to find out more details. We need all parents or carers to respond either way by the closing date.

Please note the closing date is **Sunday October 3rd**.

We are only running this scheme once for each year 3 cohort. However, be assured each year group has a bank of school iPads for use in class for those pupils who are not part of a scheme.

Thank you.

Year 3 Parents – School Morning Routine

Now that the children have been in school for a week or so, from Monday you must leave them at the gates to walk to their classrooms themselves. We also do not allow parents to use the playground as a cut-through to the Callis Grange path.

This is in order to safeguard all pupils in our care – thank you for your cooperation.
