Year 3 iPad scheme

We have just been advised that the device we were going to offer is no longer an option, due to an Apple product update, which happened this week!

The scheme is therefore on hold temporarily whilst we wait for details, prices and delivery of the new iPads.

Please ignore the closing date, as this will almost certainly need to be amended.

Further details will follow in due course.

Thank you.

Morning drop off zones

Please **DO NOT** park and leave your car in the school drop off zones, these should only be used for a maximum of 30 seconds to enable as many parents as possible to use them.

If you wish to wait with your child before school, or come to the school office, please park on the road and walk in. Alternatively park in the rugby car park and walk from there.

Thank you.

Year 3 Science Fun!!

As part of their topic 'Predator', the year 3 pupils have been hunting down their favourite smoothies and smelling them, tasting them and identifying different flavours and descriptions. Lots of fun and some tasty treats tried!

Look out for more pictures on our Facebook page!

Pre-loved school uniform

As we have had so many kind donations of late, for the present please only send in school logo cardigans or sweatshirts.

Thank you.

Some reminders:

Please remember **children should not be wearing jewellery to school**, except a small pair of stud earrings if their ears are pierced. This includes large watches and please, nothing expensive!

Pupil hair that is shoulder length or longer should be **tied back at all times**.

PE kits delays – if you are waiting on a delivery of the new PE kit, please wear your old kit, or **black shorts/joggers**, a white round-necked t-shirt and black sweatshirt (or school sweatshirt if necessary).

We do now have some gold PE sweatshirts on the second hand uniform rail if you wish to purchase for £1.
