Terms of Reference for St Peter in Thanet CE Junior School

The purpose of governance is to provide confident, strategic leadership and to create robust accountability, oversight and assurance for educational and financial performance. The board has resolved to conduct its business by adopting the committee model structure and to delegate statutory functions to:

- a Finance & Resources committee
- Curriculum and Pupil Data monitoring pairs

In addition, the board will appoint the DfE identified individual delegated governor roles for:

- safeguarding
- SEND

and Local Authority identified delegated governor roles for:

- finance
- health and safety

It is recommended that boards also carefully consider the following link governor positions:

- Pupil Premium/Recovery Premium– as identified in DfE PP statement
- Training and development – DfE recommended for focus on the development needs of the board
- Whole school wellbeing

The board recognises the delegated monitoring individuals/pairs are replacing committees in terms of challenge, responsibility and accountability when undertaking their monitoring and reporting back to the board; the board recognises that all decisions are made by the full board and no financial delegated authority is given to monitoring pairs. Meetings of the board and delegated individuals/pairs will be considerate of the wellbeing of staff and executive lead/headteacher by referring to the DfE teacher workload reduction toolkit.

Having delegated governors does not reduce the collective accountability of the board for all its functions. The board will need to ensure that its agenda and reporting mechanisms enables all board members to have a collective strategic overview for all delegated monitored areas to enable accountability and effective informed decision making.

In each case where a function has been delegated there is a statutory duty for the delegated governor/s to report, by written monitoring reports, any findings, action, or recommendations for board decision

The board has three strategic core functions:

1. ensuring clarity of vision, ethos, and strategic direction
2. holding executive leaders/headteacher to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff
3. overseeing the financial performance of the organisation and making sure its money is well spent.

All governors are required to abide by the Board's Code of Conduct and must indicate their acceptance via GovernorHub

The main responsibilities to be managed by the board are outlined below ([click on ▲ next to each heading to expand the area](#))

Terms of Reference for Individual Delegated Governors

Any individual to whom a governor monitoring responsibility has been delegated is expected to work within the following terms of reference in conjunction with the protocols and procedures set out in the governor monitoring visits for a committee policy and the board code of conduct. It is a statutory duty in legislation to report back at the next meeting following a monitoring visit.

Having delegated governors does not reduce the collective accountability of the board for all its functions. The board will need to ensure that its agenda and reporting mechanisms enables all board members to have a collective strategic overview for all delegated monitored areas to enable accountability and effective informed decision making.

Guiding Principles

Before undertaking any monitoring, governors will read the monitoring policy and board code of conduct. Written reports will be submitted for factual check and comment by the headteacher within one week of the visit, and then be lodged with the clerk for distribution as soon as possible, at least seven days before the next board meeting.

It is expected that three monitoring visits will be completed during the year unless school circumstances necessitate more. Responsibilities

- To be properly prepared for each visit by reading relevant policies and paperwork
- To meet with the lead professional within the school to gain an understanding of the scope of the area/target and the activities the school is conducting to achieve success.

- Is it a statutory requirement that the board appoint an independent external adviser to assist the panel with the headteacher's appraisal, and to consult on setting objectives for the headteacher; this person should be suitably experienced and knowledgeable in school improvement and leadership matters.

Where serious weaknesses are identified in the headteacher's performance then the process should cease, and the issues will be managed within the school's formal capability procedure. The appraisal process will be recommenced when the headteacher's performance has reached the required standard.

Responsibilities:

- To meet annually with the headteacher and a *board appointed*, independent external adviser
- Inform the headteacher of the standards against which their performance will be assessed.
- To review, in consultation, with the external advisor, the performance of the headteacher against the agreed appraisal objectives.
- To consult with the external advisor to set challenging but achievable objectives for the coming year ensuring they are specific, measurable, attainable, relevant, and time-bound (SMART).

All decisions regarding pay progression for teachers, including the leadership group should be made without undue delay. These should be completed prior to or on 31 October for teaching staff.
