A message from Mr Whitehouse.....

What a fantastic first few days back at school we have had! It has been really lovely to see the children coming into school with such enthusiasm every morning – an enthusiasm shared by lots of our parents after the 6 week summer holiday! And a really big well done to you all for adjusting to our new and slightly earlier start time so well! The gates shut at 8:45 now, to give every St Peter's child six and a half hours in school every day.

If your child has a school dinner you'll probably have heard that we have new caterers and there's been a really big thumbs up from children and staff alike at the new menu and fantastic salad bar each day. The weekly menu is on our website (www.stpetersthanet.co.uk/Parents/Meals) and if anyone thinks their child may be entitled to a free school meal please either contact the school office or contact KCC on 0330 1249995.

During the autumn the weather never quite knows what it is doing – so children take off their jumpers, coats and sports tops at random times and places through the day. Please help us get them back to you by making sure everything has your child's name somewhere on it!

Here's looking forward to a great term, indeed year, ahead!

Tim Whitehouse

Thank you from Mrs Pouroos

Mrs Pouroos would like to thank all of the children and parents for the wonderful cards and gifts she received when she retired last term. She's enjoying the start to her retirement.
