

The Governing Body

Together with the headteacher, the Board of Governors has overall responsibility for the running of the school. Governors are involved in deciding school policies, allocating the school's budget and appointing senior staff. All Governors are volunteers, and no special qualifications are needed; the most important thing is to have a keen interest in the school and be prepared to play an active part in the Board's work.

St Peter in Thanet has an active and committed Board with a common desire to improve and achieve the best possible outcomes for all children. Governors attend termly meetings of the Full Board and Committees and regularly visit the school to monitor progress of School Improvement Plan targets and meet with staff. Frequent training ensures they keep up to date with latest legislation and guidance.

At St Peter's we have separate Committees for Strategy, Learning & Development and Resources.
