Harvest Festival

A huge thank you to all our amazing families for your incredible generosity this Harvest Festival. Your kind donations to Thanet Food Link will go a long way in supporting local families in need.

It's always heart-warming to see our school community come together to share and care — your contributions truly make a difference.

Well done to all the children for their thoughtful participation, and thank you once again to our parents and carers for supporting such a worthwhile cause.

Mental Health Day

REMINDER: Pupils may come to school in non-school uniform next Friday, wearing something yellow.

Skydiving Mrs Prentice!

We are very proud of Mrs Prentice, who last Saturday, jumped out of a plane in aid of The Royal Marsden Hospital!

What an unforgettable accomplishment!

Please remember to bring in your empty 2l bottles for Mr Williams next week.

Thank you.

National Poetry

Competition

NATIONAL POETRY DAY

This week all classes across the school have enjoyed reading, writing and listening to poetry to mark National Poetry Day, Thursday 2nd October. We also all took part in a live workshop with the poet, Tomos Roberts, on the themes of Remembrance and Gratitude.

COMPETITION TIME!

Please encourage your child to take part in the poetry competition 'I have a dream'. There is a chance their poem could be published in a book! Poems to Mrs Ward by 16th October please.

Make up and nail

varnish

Please be reminded that pupils should not be wearing make up or nail varnish to school.

Pupils with hair below their shoulders, should also be coming to school with their tied back. This helps to stop the spread of Headlice.

Thank you.

Lost property

Over this weekend, please check all of your child's uniform to ensure each item is named.

Searching for lost items can cause pupils and parents a lot of unnecessary distress!

Thank you.

Parent Governors

An email was sent out on Friday from Mr Whitehouse regarding new Parent Governor nominations. If you would like to stand for election, please complete a nomination form, available from the school office, and return it by noon on **Friday 10 October 2025**.

Parent consultations

REMINDER: Parents evening's will take place on Wednesday 8th and Wednesday 15th October between 3.30pm - 6.30pm.

Appointments are available now to book via Arbor

Technology survey

As technology becomes an increasingly important part of our children's lives - we would like to support families by hosting a parent workshop focused on children's use of technology.

Please take a few minutes to complete our short survey. It asks about your interest in a possible workshop and the specific topics you'd find most helpful (e.g. online safety, Social Media use, Roblox, Monitoring children's use of Technology, Just Talk Kids etc.). Your feedback will help us decide whether to go ahead with the workshop.

Here's the link to the survey:
