# Year 5 trip to Canterbury Cathedral

On Monday, our Year 5 pupils enjoyed a fun day out at Canterbury Cathedral. They enjoyed a fascinating guided tour of the cathedral, and explored the beautiful grounds. They also took part in some hands-on workshops, where they had the chance to make their own quills and create a colourful stained-glass window.

It was a fantastic experience filled with learning and fun!

# PTFA News!

Thanks to those who joined us for the recent PTFA coffee morning - we had hoped to welcome a few more faces, especially as we've had our Year 6 parents move on over the summer. Unfortunately, the turnout was not what we had hoped, so we wanted to reach out to you all.

The PTFA plays such an important role in bringing our school community together and raising valuable funds for the children – but with fewer volunteers, we may need to scale back some of the events that we're able to run this year, including those around Christmas.

We'd really love to get more people involved so we can keep these fantastic activities going! Please take a moment to complete our short survey using the link below. It's a quick way to let us know how you might be able to help – whether that's joining the committee, volunteering at an event, or sharing any special skills or ideas you can offer.

Thank you so much for your continued support – every bit of help really does make a difference!

## Karate champ!

Kayden S 4W, took part in the World Karate Championships, which featured more than 1,000 participants from 32 countries. He competed in three categories and won silver in Kumite, a fantastic achievement for his first World Championships and only his second competition overall.  
Well done Kayden!

Thank you

## Spydog series

A couple of parents made us aware of a weblink at the back of the Spydogs, Spypup and Spycat series by Andrew Cope. The link led to inappropriate and unsafe material for children. This weblink is reported to have been shutdown by the police but we wanted to make parents aware. Here is a link to the article from BBC:

## Wonderful Artwork

During Art this week, this colourful piece was made by Vincent W in 5L. It is linked to the Earth & Space topic they have been following.  
A fine piece of work using a warm and cool palette.

## Lost property

Please take time next week to look through the lost property box. There are a lot of items in there that need to be returned to their owners.

Thank you.
