## 24/04/26

Good  
Bye!

Mrs Hart

After more years supporting the children and families of our St Peter's community than she would probably like me to say, we bid a fond farewell to Mrs Hart, our lovely Attendance Officer.

For so many parents and carers, she was the reassuring voice on the other end of the phone and the friendly face at the office window in the morning – always ready to listen, help and support.

Her kindness, patience and genuine care made a real difference to our children as they came into school – whether they were on time or running just a little late! Whether it was a quick check-in or a longer conversation, she brought warmth and understanding to every interaction, helping to build the strong sense of community we value so highly.

She will be missed by staff, children and families alike, and we wish her all the very best in her next chapter – which will almost certainly be somewhere warm and sunny!

## Uniform expectations

It has been lovely to see everyone back at school after the Easter holidays and looking smart in their uniform.

A general uniform reminder that children are asked to only wear agreed items of school uniform.

Can we please remind everyone that children are not to wear jewellery to school, apart from plain stud earrings, for health and safety reasons or to wear any make up.

If children are wearing hoop earrings, jewellery or incorrect uniform we will phone home to remind parents.

Thank you for your support.

## Breakfast Club

Could we please remind parents that children **MUST** be booked on to Breakfast Club, via Arbor, by 4pm the day before the booking is needed. It is important that pupils are booked on, as we only have limited spaces available each morning.

Thank you.

# Creative Chalks Challenge 2026

During Arts Celebration Week, we held our first Creative Chalks Challenge in school.

Our children enjoyed decorating the outside of their classrooms with chalk artwork inspired by poetry, and the finished artwork was shared and celebrated at the end of last term in a walking exhibition.

Every class's artwork displayed such creativity and team work and it was wonderful to see the range of imaginative ideas, images and presentations across the school.

We would like to commend the following classes for their response to the Creative Chalks Challenge; Class 3L, Class 4S, Class 5BN and Class 6A.

We have included some photographs of the amazing artwork for all to enjoy again!

# Online safety.

With some children spending more time online, we would like to share the 'Top 10 tips' that are attached to the Newsletter for staying safe online!

We hope that you will find them useful and there is also a link to advice from the NSPCC which is a useful resource with lots of information and links for you and your child.

# Scooters

These 4 scooters have been left in school since before the Easter holidays. If they belong to you, please come and collect them from the scooter racks.

Thank you,
